DecoMax USA is proud to offer the finest quality bath furniture. The unique designs of each vanity are created by Elite House International, a world renowned Hong Kong architect and interior design group. The unsurpassed quality combined with extraordinary design create a product that is truly a piece of art. The purpose of importing premium products is to be able to serve clientele looking for exclusive pieces of furniture with incomparable quality. DecoMax USA carefully selects the finest materials and ensures that production takes place at the highest standard.
